

Remarks

Reconsideration is respectfully requested. Claims 1-50 are pending. Entry of the amendment is respectfully requested. No new matter has been added. Support for the amendment can be found in the original claims, specification, and drawings. The amendments have been made to address typographical miscues and do not change the scope of these claims. At least independent claims 1, 27, 44, and 45 have not been amended.

The Applicants respectfully disagree with the pending rejections for the reasons set forth in the Appeal Brief dated May 27, 2004, herein incorporated by reference. Applicants respectfully submit that all pending claims are allowable for the reasons presented in the incorporated Appeal Brief.

The Action indicates that claims reciting a door are not entitled priority to application 08/361,783 (US 5,790,409). Application 08/361,783 discusses at least a drawer (e.g., Figure 27). The Office has not explained how a drawer, which includes a movable barrier for opening and closing an opening, does not include a door.

Applicants respectfully submit that this application is in condition for allowance. The undersigned is willing to discuss any aspect of the Application by phone at the Office's convenience.

Respectfully submitted,
